

About the Flower Basket Public Art Pole Program

The City of Edmonds Cultural Services and Parks Department's program to replace old flower basket poles in the downtown area with new poles that feature artist-made sculptural elements is an opportunity to commemorate an organization or remember a loved one.

The sculptures on the poles are original artworks created by Washington State artists. Materials and designs vary. Artists and designs are selected and approved by the Edmonds Arts Commission through a competitive application process through its Call for Art program.

A plaque dedicating your donation is placed on the pole facing the sidewalk at eye level. Art Pole Commemoration is \$2,500. Please read the Application/Donation form in this brochure for details.

For further information about this program, call 425-771-0228, or email eac@edmondswa.gov.

For the annual sponsorship of the flower baskets and other City of Edmonds donation and memorial opportunities, call Parks and Recreation at 425-771-0230.
