

RESOLUTION NO. 1478

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EDMONDS, WASHINGTON, TO CONTINUE THE EMERGENCY SICK LEAVE BENEFITS OF THE CITY'S FAMILIES FIRST CORONAVIRUS RESPONSE ACT POLICY THROUGH DECEMBER 31, 2021.

WHEREAS, the City enacted its Families First Coronavirus Response Act Policy (hereinafter "Policy") on April 2, 2020; and

WHEREAS, the federal Families First Coronavirus Response Act, upon which the Policy is based, expired by its terms on December 31, 2020; and

WHEREAS, on January 5, 2021, the City Council approved Resolution 1466, which extended the Emergency Sick Leave benefits provided under the Policy through June 30, 2021; and

WHEREAS, due to the continuing rise in cases related to the Coronavirus' Delta variant, and the need to continue to have employees quarantine as a public health measure, the City Council has determined that it is in the public interest to continue to provide City employees with the Emergency Sick Leave benefits provided by the Policy for an additional nine months, retroactive to July 1, 2021, unless the federal government enacts new legislation providing for such benefits before that date; NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF EDMONDS, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1. The Emergency Sick Leave provisions of the City's Families First Coronavirus Response Act Policy, enacted on April 2, 2020, will continue in effect through March 31, 2022, unless the federal government enacts new legislation providing for such benefits before that date. The remainder of the Policy expired by its terms on December 31, 2020.

Section 2. The references to "December 31, 2020" in the "Carryover; Termination of Benefit" section of the Emergency Sick Leave provisions of the Policy, which were previously extended to June 30, 2021, are hereby revised to read "March 31, 2022." In the event the federal government enacts new legislation providing for emergency sick leave benefits such as those provided for in the Policy, the remainder of the Policy will terminate as of the effective date of the federal legislation. If no such new legislation is enacted on or before March 31, 2022, the Emergency Sick Leave provisions of the Policy shall expire on that date.

RESOLVED this 3rd day of August 2021.
